FROM THE DIRECTOR'S DESK

MR. ARUN BANSAL

Director, Shiva Shiksha Sadan

A Vision That Educates. A Culture That Empowers. A Legacy That Inspires.

Dear Parents, Students and Well-Wishers,

As the Director of Shiva Shiksha Sadan, I take immense pride in welcoming you to this edition of our school newsletter. It is a privilege to share our vision and the educational philosophy that continues to guide our endeavour to provide every child with a holistic and meaningful education.

At Shiva Shiksha Sadan, education is envisioned not merely as a pathway to academic excellence, but as a profound and transformative process that shapes intellect, character, confidence and a deep sense of social responsibility. Our endeavor is to cultivate discerning minds, principled individuals and purposeful citizens who are equipped not only to succeed in the world, but also to contribute meaningfully to it.

As I reflect upon the accomplishments and enriching experiences chronicled in this edition, I am filled with an abiding sense of pride and gratitude. The achievements of our Shivians across academics, sports, culture, literature and experiential learning stand as compelling testimony to an educational philosophy that recognizes and nurtures every dimension of a child's potential.

"Wisdom sculptures freedom; freedom promotes knowledge; knowledge exudes love; love propels education; education visualizes dreams; and dreams are the touchstone of character."

Our academic accomplishments, reflected in stellar Board Examination results in Classes X and XII, distinction in the Aryabhatta Ganit Challenge, and top ranks in JEE Main, stand as a testament to our commitment to academic excellence.

A particularly significant occasion was the gracious visit of Dr. Archana Gupta, State President, BJP Haryana, to Shiva Shiksha Sadan, where she sought the blessings of our respected Manager Sir, Sh. Virender Kumar Bansal Ji. Her interaction with Team Shiva was an inspiring affirmation of the transformative power of education and the imperative of empowering the next generation.

Her message resonated profoundly with the educational ethos that we strive to uphold:

EDUCATE TO EMPOWER. EMPOWER TO LEAD.

We firmly believe that true empowerment begins with education.

Our Shivacharyas continue to embrace innovative, experiential and learner-centered methodologies, ensuring that the educational experience remains dynamic, relevant and responsive to the evolving needs and demands of the future.

I extend my heartfelt appreciation to our Shivacharyas, students, parents and the entire Shiva family for their unwavering dedication, trust and commitment to this shared journey.

As we look towards the future, our resolve remains unwavering.

Our commitment is enduring:

To educate with purpose,

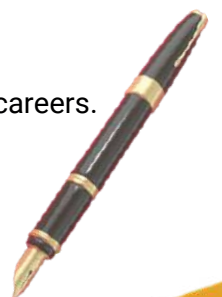

to empower with wisdom,

and to prepare every Shivian to embrace the future with confidence and courage.

At Shiva Shiksha Sadan, we do not merely prepare young minds for examinations or professional careers.

We prepare them for life.

We nurture them for leadership.

REPUBLIC DAY CELEBRATION

JANUARY
2026

On 26th January, Shri Mohan Lal Badoli graciously visited the school and hoisted the national flag. He attentively and enthusiastically witnessed the patriotic cultural programs and impressive performances presented by the students. During the program, he interacted with the students and guided them on the importance of education, discipline, and service to the nation, inspiring them to work towards a bright and meaningful future.

PRIDE IN EVERY BEAT

Republic Day— Police Line

JANUARY
2026

Shivians lit up the Republic Day 2026 celebrations at Police Line with performances that stirred the spirit of the nation. Chief Guest Sh. Shyam Singh Rana, Hon'ble Krishi & Pashupalan Mantri, along with District Authorities and Education Department officials, took note of the event — felicitating both students and teachers for their outstanding cultural contribution. The applause that followed was a fitting tribute to a school where discipline and culture go hand in hand.

Some goodbyes are hard — this was one of them. On the 31st of January, Shiva Shiksha Sadan watched its Batch of 2025-26 walk out of its gates for the last time, carrying with them years of memories, friendships, and lessons that went far beyond textbooks. From the laughter echoing through corridors to the joy shared at Chowki Dhani, this was a farewell built on gratitude. As these young Shivians step confidently into the world, they carry the roots and values of their alma mater with them, wherever they go.

MONTH AT A GLANCE

 **Maha Shivratri Celebration**

 **Competitive Examination Results**

Faith and tradition took over the campus on the 15th February, as Shiva Shiksha Sadan hosted its 26th annual Havan and Maha Yagya to mark Maha Shivratri. Nearly 150 yajmans came together in prayer, filling the campus with sacred chants and a deep sense of devotion. More than a ritual, it was a reminder that even while pursuing 21st-century success, staying rooted in culture and values remains at the heart of a Shivan's journey.

Mahavir Jayanti

AARAMBH marked a beautiful beginning at Shiva Shiksha Sadan as we welcomed our new PP1 Shivians and their parents on 10th March. The little learners charmed everyone with delightful dance performances and a sweet skit, while an insightful session by experts from O.P. Jindal Global University focused on children's emotional well-being and development. The day continued with engaging classroom activities and an interactive sensory path, creating a joyful first step into a journey of learning, curiosity, and growth.
